

Nedlands Primary School

EXPERIENCE THE OPPORTUNITIES

Dear Parents/Caregivers,

Thanks to everyone for a great Term 2. The children have worked hard and deserve a well-earned holiday.

Since our last newsletter, we have had the Lapathon, Inter-house Cross Country and our Year Threes competed in the Interschool Cross Country. Congratulations to all those who competed, you did our school proud.

To support our focuses this term, we have had the following incursions:

- BUZ
- First Aid Focus
- National Simultaneous Storytelling
- Jody Fitzhardinge from the Japingka Art Gallery
- Scitech Day & Night Show and
- Smart Money

On the last Thursday of term, June 29th, we will be sending home your child's Report and Work Sample folder for Semester 1. We ask you to peruse this with your child and celebrate their achievements.

We will be sending home your child's **art smock** and **chair bag** so they can be washed over the holiday break. Please send it and the Work Sample Folder **back at the beginning of Term 3**. Some children will also receive a list of stationery items that need replenishing.

There will be no home readers coming home over the holidays, but your child can still do home reading of a library book or books from home. They can keep their reading practice up over the holidays by visiting the local library but no record of reading needs to be done over the holidays. Next term, the requirement for reading is still to read orally to someone for 10 minutes.

In History and Social Sciences (HASS) next term, we will be centring our learning around the topics of Change and Continuity Over Time with a visit to the State Library. In Science we celebrate National Science Week in Week 4 with an in-school Science Expo with Future Earth as the theme. In English, we will focus on report writing and use it across the curriculum.

A reminder that children will return to school to start Term 3 on **Tuesday, July 18th**. We wish all families a safe and happy holiday.

Regards,

Year Three Teaching Team
