**EXPERIENCE THE OPPORTUNITIES**

Dear Parents

## **School Contributions and Charges**

The Nedlands Primary School Board has endorsed the schedule of Contributions and Charges for 2019. We are required to inform you of this schedule prior to the start of each year.

**This is NOT a request for payment                      Invoices will be sent home in March 2019**

The schedule is broken into four sections and will allow you to calculate all costs that you **might** incur throughout the school year. All families will be sent detailed information relevant to their children in the early part of next year.

### **1. CONTRIBUTIONS**

The amount of school **contributions** parents and carers are being asked to pay has been contained within the \$60.00 maximum set in the School Education Regulations 2000.

Money collected will be used to supplement school expenditure in the areas listed below. The indicative costs per child are shown in the table beneath. While **contributions** are voluntary, the quality of our teaching and learning program will be maximised when each family makes its contribution to the cost of supplementing funding gained from other sources, including the State and Commonwealth governments.

You will have received the recommended list of materials for your child. We have negotiated competitive prices for the materials on the list but you are not obliged to use our supplier. Your child will need to have the listed materials each school day so it may be necessary to replace some items such as pencils throughout the year.

The year level BOOKLISTS will include most personal items required for the year, however, listed below are some items in addition to the booklist that may be recommended for a particular class.

Recorder

Musical Instrument (after first year of tuition – except for cello and double bass)

### 4 VOLUNTARY APPROVED FUNDS

Other Voluntary Approved Funds at Nedlands Primary School include:-

- P&C Voluntary Contribution, which has been set at \$80 per child for 2019, and the
- P&C Pool Voluntary Contribution, which has been set at \$25 per child for 2019.

Parents not able to support the P&C in activities are invited to make an additional voluntary contribution to the P&C of more than \$80 per child. This invitation is open to any parent wishing to do so.

The P&C supports the school to offer a large range of services, programs and resources that are far in excess of what the school could offer with only the \$60 School Contribution and Government funding. Examples of this support includes the building of the Altius Centre, financial support for ipads, notebooks and robotics, Athletics program, classroom computers and Interactive White Boards, managing the School Pool, new Reading texts, funding for all the playgrounds, supporting events and activities.

Please feel very welcome to make a contribution to the P&C that suits your capacity.

Regards,

**RUSSELL BEMBRIDGE**
