

Nedlands Primary School

EXPERIENCE THE OPPORTUNITIES

Dear Parents

School Contributions and Charges

The Nedlands Primary School Board has endorsed the schedule of Contributions and Charges for 2017. We are required to inform you of this schedule prior to the start of each year.

This is NOT a request for payment Invoices will be sent home in March 2017

The schedule is broken into four sections and will allow you to calculate all costs that you **might** incur throughout the school year. All families will be sent detailed information relevant to their children in the early part of next year.

1. CONTRIBUTIONS

The amount of school **contributions** parents and carers are being asked to pay has been contained within the \$60.00 maximum set in the School Education Regulations 2000.

Money collected will be used to supplement school expenditure in the areas listed below. The indicative costs per child are shown in the table beneath. While **contributions** are voluntary, the quality of our teaching and learning program will be maximised when each family makes its contribution to the cost of supplementing funding gained from other sources, including the State and Commonwealth governments.

2. CHARGES FOR EXTRA COST OPTIONAL COMPONENTS

A breakdown of estimated **charges** for your child's participation in "In and Out of school activities" for 2017 has been included in the schedule below. Details on charges collected in previous years have informed our 2017 charges schedule. Students will only incur costs when they are involved in a particular activity. The amounts indicated on the schedule represent the **maximum** charged for scheduled activities in 2017. As in the past, you will be asked to make payment for each semester's activities at the start of the semester. For some small group/individual activities, you will be asked to make payment for the activities as they occur.

The **charges** schedule includes costs associated with:

- specific learning activities available to **ALL** students, but conditional on a payment being made. e.g. in and out of school activities, classroom cooking, etc.
- specific learning activities available to **SELECTED** students, but conditional on a payment being made. e.g. PEAC, School of Instrumental Music program, etc.

4 VOLUNTARY APPROVED FUNDS

Other Voluntary Approved Funds at Nedlands Primary School include:-

- a P&C Voluntary Contribution, which has been set at \$80 per child for 2017, and the
- P&C Pool Voluntary Contribution, which has been set at \$25 per child for 2017.

Parents not able to support the P&C in activities are invited to make an additional voluntary contribution to the P&C of more than \$80 per child. This invitation is open to any parent wishing to do so.

The P&C supports the school to offer a large range of services, programs and resources that are far in excess of what the school could offer with only the \$60 School Contribution and Government funding. Examples of this support includes the building of the Altius centre, financial support for ipads, Athletics program, classroom computers and Interactive White Boards, managing the School Pool, new Reading texts, funding for all the playgrounds, additional teacher assistant time and supporting events and activities.

Please feel very welcome to make a contribution to the P&C that suits your capacity.

Regards,

RUSSELL BEMBRIDGE
