

Bonjour!

Félicitations à JACQUELINE YU for winning entry in the state French sticker competition 2017!

This year there were over 30 schools participating in this competition and it was a real challenge to choose the winners out of the many designs entered. There are only 20 winners in this competition and one of them is our year 6 student Jacqueline Yu. She is awarded a special TOFA (Teachers of French Association) Certificate and iTunes voucher as well as her winning art work will be made into a 2.5 stickers available to order from www.tofawa.asn.au.

A bientôt.

Mme Chamberlin.
