Appeals

Should you disagree with a school's decision regarding your "Application for Enrolment" you can appeal to the District Education Office in the district in which the school is located. The District Office will then seek to verify whether the process for managing the enrolment decision at the school complied with departmental policies and guidelines. Prior to submitting an appeal, however, it is recommended that you contact the school principal or the Manager District Operations at the district office to discuss your grievance informally. Appeal forms are available at Appendix C1, or from the school or the district education office.

For parents of students with a disability - If you remain dissatisfied with the decision about placement of your child, you may request an independent review of the decision. You should put your request in writing to the Director General, through the relevant Director Schools. A Disabilities Advisory Panel will be convened to review the placement decision. An opportunity will be provided by the panel for you to present your case. The Director Schools will be able to provide you with detailed information about the panel.
