

Nedlands Primary School is a local intake area only school. If the school has space for out of area students in Kindergarten there is NO guarantee of a place in Pre-Primary. Kindergarten is NOT a compulsory year of schooling in Western Australia. If the school accepted your child based on your residential address being within our area and you moved within 6 months outside our area you will may be asked to move to your new local school. Nedlands Primary School is under enrolment pressure and can only accommodate local students.

To formally enrol students in a Western Australian School they must be in Australia, be Australian citizens/residents or be on a certain VISA subclass number, a 3 digit number. Not all VISA subclass holders are considered "local". Certain VISA subclass numbers are required to contact TAFE International.
