

Bonjour!

At the end of last term all students from yr. 3 to 6 participated in a French sticker competition organised by TOFA (Teachers of French Association in WA) The theme of the competition was “ Vivre ensemble”/ Living together. Each student had to create a design with a French word or sentence in the circle of the provided participation sheet. It was a big challenge and pleasure to choose 10 winners from our school to go to the second round of the competition where the judges from TOFA will select the best designs that represent a variety across different schools and regions of WA. The winning artwork will be made into 2.5cm stickers.

Congratulations to our first round winners !
