

## Bonjour!

Last week our yr 4 and 5 students were treated to a French incursion presented by CARROUSEL THEATRE.

Carrousell Theatre is a puppetry theatre company based in Melbourne.

It originated in Paris and has been performing in Australia since 2000.

Their objective is to encourage and promote the study of languages via the medium of puppetry.

The story of The Jungle Book / Le livre de la Jungle they presented for our students was based on the original tale with adaptation for puppetry.

Here are some of the students comments about the show:

“ In the Theatre I was really enjoying the play. I loved every bit of it and the main surprise was Monsieur le serpent ( Mr.snake). It was a lot of fun. Best show ever!” Tom F. ( yr4)

“It was very good. I thought it was going to be the same as the movie, but instead it was even funnier” Keren Q. ( yr.5)

“ I really enjoyed listening to the funny parts in this amazing play and I think that all the other children loved it as much as I did. I will remember this learning experience for a very long time” Ashley P.(yr5).

“The performance was hilarious, interactive and invigorating all at once.” Sam H.(yr 5)

“ I would rate the French play 100 out of 10. It was extremely funny and I learnt so much more French. I wish it could happen again” Harry G. yr.4

“ I have never seen anything like it. It was funny, tremendously interesting and a great learning session” Alice M. yr.4

“I liked it a lot. The French play was so amusing to watch and also we learnt some new words at that time. It was super!!!” Ella D. yr4.

A bientôt.
