

Bonjour!

What's happening in French class this term?

Our very enthusiastic **Year 3** students are learning numbers to 12 , how to say their age *J'ai sept/huit ans.* (I'm seven/eight years old) and ask how to ask other people their age. *Quel âge-as-tu? How old are you? Quel âge a-il/elle? How old is he/she?*

Later this term we are going to do simple calculations in French and learn colours:

Blanc-white.

Jaune- yellow

Rouge- red

Vert – green

Noir – black, etc.

Years 4 students are practising how to say where they live *J'habite à Perth / I live in Perth* and to ask other people *Où habite-tu? Where do you live? Où habite ton ami(e)? Where does your friend live?etc.*

We are also going to learn numbers to 20 and do simple math calculations in French language.

$12 + 3 = 15$ douze et trois font quinze.

$20 - 10 = 10$ vingt moins dix font dix, etc

Year 5 students are practising numbers to 50 and learning the vocabulary for Weather.

Quel temps fait-il? / What is the weather?

Il fait beau./ It is nice.

Il fait humide./ It is humid.

Il pleut / It is raining.

Il y du soleil / It is sunny, etc.

Years 6 students have learnt how to say telephone numbers in French (it is said in digits in French language) and by conducting a class survey they are practising how to ask a question and answer it. *Quel est ton numéro de téléphone? / What is your telephone number? Mon numéro de téléphone est 63 – 12 – 45 – 93 (soixante-trois, douze, quarante - cinq, quate-vingt- treize) My telephone number is....*

Later this term we are going to learn how to say time *Quel heures est-il? / What is the time? Il est cinq heures. / It is five o'clock, etc* and the vocabulary for *La Nourriture / Food.*

A bientôt.

Mme Chamberlin.
