EXPERIENCE THE OPPORTUNITIES

Store Manager

IGA Broadway

Dear Hassan,

I would like to thank you for the \$500 donation you recently made to Nedlands PS. Your donation is very generous and we will use these funds towards student engagement activities so that every student at our school enjoys your generosity.

It was a pleasure to have you visit our school for the presentation of the cheque. It was wonderful that you recognise many of our students since you have watched them grow up over the years they have come into your store.

I enclose a receipt for the donation, and also a photo of the presentation to our Head Girl.

Once again, thank you for your generosity to Nedlands PS.

Regards,

Julie Simpfendorfer
